

Human Design & Aura's

Aura: /'ɔːrə/

"the distinctive atmosphere or quality that seems to surround and be generated by a person, thing, or place."

Our aura interacts with others in a unique way.

Understanding your aura based on your energy type can help you understand how you are interacting with others.

Human Design & Aura's

Generators & Manifesting Generators

Open ~ Your Aura wraps itself around others

Projectors

Penetrating ~ Your Aura goes inside, 1 person at a time

Manifestors

Closed ~ Your Aura pushes others away

Reflectors

Resistant ~ Your Aura samples or 'tastes' the aura of the people around you & reflects back.
